PRELIMINARY AMENDMENT

Sir:

Prior to an examination on the merits, please amend the above-captioned application as follows:

IN THE CLAIMS:

Please replace the below claim as follows:

23. (Amended.) The method as claimed in Claim 22, wherein said configuration data comprises:

a network configuration data describing a networking configuration of the computer entity;

an administration security data describing administration security settings applied to the computer entity;

an installed user data describing installed users on the computer entity;
